**creating great places**

Within the Brisbane market, Place Design Group has developed a reputation for delivering creative solutions that are commercially focused, diverse in character and aesthetics, and unique to site. Our clients are many of the major developers working in Queensland as well as a broad range of local government and state government departments.

There is now an opportunity for a landscape architect to join our Brisbane team in a full time capacity. We are looking for an individual who has a can-do attitude, combined with the relevant skillset.

So, if you are looking for your next opportunity, are a skilled designer with a strong design vision, actively involved in the industry and motivated to be a part of a creative team culture, then we would encourage you to apply.

### Position Overview:

This is a role for a Landscape Architect, assisting on projects and taking day to day responsibility for client management support, project delivery and providing design thought and advice. In this role you will be working on preparation of design drawings (masterplanning through to documentation) contract administration, and construction documentation of High Rise and Mixed Use projects, greenfield subdivisions, commercial projects and public precincts. The successful candidate will manage the role in a professional and efficient manner, reflecting and enhancing the company's reputation. The role will include duties such as:

- Preparation of design drawings
- Project contract administration assistance
- Preparation of construction documentation
- Perform site visits

### Essential Experience and Personal Traits:

- Tertiary qualification in landscape architecture
- Min.4 years industry experience
- Graphic communication skills

Australia  
China  
South East Asia

- Well developed Autocad skills and capability
- Proactive self-starter with strong interest in their future in the industry
- Demonstrated skills in use of Adobe Creative Suite and Sketchup
- High level written and verbal communication skills
- Australian resident
- The ability to work autonomously and within a team
- Good organisational and time management skills

Note: annual remuneration will be commensurate with the candidate's experience and potential contribution to the company.
