

ADVERT – SENIOR URBAN DESIGNER

THE OPPORTUNITY

As an international leading planning and design firm with teams across Australia, China and South East Asia, Place Design Group is continuing to be instrumental in some of the most exciting and dynamic projects across these regions. We are now recruiting for an experienced Senior Urban Designer available to join our team that will offer the right candidate an exciting opportunity to be part of some of SEQ's city shaping projects.

ABOUT THE ROLE

Within the Brisbane market, Place Design Group has developed a reputation for delivering commercially focused projects, diverse in character and aesthetics, and unique to site. This role will support projects working with both private clients, including many of the major developers working in Queensland, as well as a broad range of local government and state government departments.

On a day to day basis this role will take responsibility for preparation of a wide variety of design content (master planning concepts through to DA documentation) for mixed use projects, greenfield subdivisions and industrial precincts. A demonstrated ability to creatively communicate ideas and design principles with a strong attention to detail will be advantageous. You will be working broadly on:

- Preparation of hand drawn concepts plans including subdivision design,
- Preparation of graphic and technical plans, illustrations, and design reports,
- Provide advice to clients, both internal and external;
- Assist in the preparation of tenders, proposals and submissions,
- Managing project budgets and invoicing
- Mentoring and training of junior staff members.

ABOUT YOU

Along with your strong technical skill set, you will have a wide network and experience working in a similar role with a consultancy firm.

We are looking for someone who has exceptional client relationships, is excited by business development, and thrives in a team environment.

You will be loyal, committed and client focused. You will be able to balance priorities well and meet deadlines working within a supportive team environment.

Essential Experience:

- Tertiary qualification in urban design or similar
- Min. 8 years proven master planning, subdivision or urban design experience

Place Design Group Pty Ltd
