creating great places

Within the Brisbane market, Place Design Group has developed a reputation for delivering creative solutions that are commercially focused, diverse in character and aesthetics, and unique to site. Our clients are many of the major developers working in Queensland as well as a broad range of local government and state government departments.

There is now an opportunity for an urban designer to join our Brisbane team in a full time contract capacity. We are looking for an individual who has a can-do attitude, combined with relevant experience and skillset.

So, if you are looking for your next opportunity, are a highly skilled designer with a strong design vision, actively involved in the industry and motivated to be a part of a creative team culture, then we would encourage you to apply.

Position Overview:

This is a role for an Urban Designer, working with Design Leads and other Urban Designers on a variety of projects you will be involved in the preparation of a wide variety of design content (master planning concepts through to DA documentation) for mixed use projects, greenfield subdivisions and industrial precincts. A demonstrated ability to creatively communicate ideas and design principles with a strong attention to detail will be advantageous.

The successful candidate will conduct the role in a professional and efficient manner, reflecting and enhancing the company's reputation.

The role will include duties such as:

- Preparation of hand drawn concepts plans including subdivision design,
- Preparation of graphic and technical plans, illustrations, and design reports,
- Provide advice to clients, both internal and external;
- Assist in the preparation of tenders, proposals and submissions,
- Performing site visits

Essential Experience:

- Tertiary qualification in urban design or similar
- Min. 4 years proven master planning, subdivision or urban design experience
- Experience in high profile master planning projects
- Demonstrated graphic communication skills
- Expertise in Adobe Creative Suite, AutoCAD and Sketchup
- Ability to produce high quality outputs from strategic direction
- Attention to detail and delivery of quality documents and communication
- High level written and verbal communication skills
- The ability to work autonomously and within a team
- Good organisational and time management skills
- Australian Residents only

Note: annual remuneration will be commensurate with the candidate's experience and potential contribution to the company.

Please note this is not a drafting, architectural, documentation or contract administration position.
