

ADVERT – GRAPHIC DESIGNER

Place Design Group is a leader in planning and design with a reputation for creative and commercial solutions. Australian owned and managed, our 10 offices throughout Australia, China and South East Asia are dedicated to creating great places through service excellence, inspired leadership, and innovation. Through collaboration we emphasise an integrated approach for our clients, utilising services including landscape architecture, urban design, master planning, strategic planning, and development services. We recognize that by combining our creative talents with solid application and industry relationships, we can optimize our client offerings to deliver exceptional outcomes.

There is now an opportunity for an experienced graphic designer to join our Brisbane team in an ongoing freelance capacity. We are looking for an individual who has experience in graphic support for the urban design and architectural industry including written, graphic and plan based content that is project and/or marketing / communications related.

Position Overview:

This is a role for a Graphic Designer, responsible for the development of high quality visual documentation and presentations. Primarily supporting our Brisbane planning and design teams, this role will work under our Graphics Lead and provide graphic communications support through graphics output.

We are seeking a candidate that is willing and able to take on 'non-standard' projects and devise approaches to meet new challenges but critically to communicate our work and thinking to our client and our clients' clients.

The successful candidate will manage the role in a professional and efficient manner, reflecting and enhancing the company's reputation. The role is flexible, as are the hours on offer with opportunity to choose to work in and/or outside office hours as agreed with the Graphic Communications Lead.

The role will suit someone looking to take on an additional client in an ongoing capacity, or a qualified designer looking to get their foot in the door with possible future opportunity to join the team in a more formalised capacity, for this rapidly growing arm of the group. Duties will include:

- Preparation of plan graphics and illustrations
- Preparation of Presentations
- Preparation of high quality graphic submissions and proposals
