

ADVERT – COMMUNITY CONSULTATION & ENGAGEMENT LEAD

THE OPPORTUNITY

As an international leading planning and design firm with teams across Australia, China and South East Asia, Place Design Group is continuing to be instrumental in some of the most exciting and dynamic projects across these regions, including Brisbane's Waterfront, Gold Coast's The Spit Masterplan, Sunshine Coast's Domic, and Sydney's futurestreet. We are now recruiting for a full-time role for a highly experienced Community Consultation & Engagement Specialist that will offer the right candidate an exciting opportunity to be part of an innovative and growing team.

ABOUT THE ROLE

Place Design Group has developed a reputation for a combined approach across planning, design, and community consultation. With a key focus on our local centres our teams work to deliver strategic masterplan outcomes that achieve thriving, vibrant and economically sustainable community centres. These outcomes are achieved through the engagement of community and key stakeholders from the very inception of a project to partner in the journey.

Along with your extensive experience across community consultation, you will have a technical background in planning or urban design.

We are looking for someone who is dedicated to effective communication, thrives in a team environment, and is engaged in the development of our communities.

You will be loyal, committed and client focused. You will be able to lead the delivery of strategic projects by balancing priorities, identifying solutions, and connecting the right people.

You will work across:

- Client relationship development and securing new work
- Project management
- Community consultation
- Strategic communications
- Provide advice to clients, both internal and external;
- Preparation of tenders, proposals and submissions,

Essential Experience / Attributes:

- Relevant Tertiary qualification
- Min. 7 year's industry experience
- Technical background in Urban Design OR Strategic Planning OR Social Planning
