Creating  
GREAT places

**If you are passionate about great design and thrive in a team environment ... this is the role for you!**

This is a role for a 12-month contract BIM/Revit Modeller/Landscape Architect. You will be responsible for the production of project documentation, delivering on time and on budget to achieve successful, people-driven outcomes. The role is aligned with an exciting international project opportunity and growing team. You will have a focus on landscape design, design development and documentation. Coupled with this technical capability, you will have great communication skills, strong level of self-motivation and local knowledge.

The areas you will work across include:

- Terrane modelling
- Extraction 3D model for rendering in Lumion
- Preparation of design drawings,
- Project contract administration
- Preparation of construction documentation

Essential Experience / Attributes:

- Tertiary qualification in landscape architecture
- 3 years min. industry experience
- Expertise in REVIT and BIM process
- Competence in AutoCAD
- Competence in MS Office, Adobe Creative Suite and Sketchup
- High level written and verbal communication skills.
- The ability to work autonomously and within a team.
- Not essential - Competence in Lumion / Enscape
- Not essential – horticulture / planting knowledge

Benefits:

- Join a passionate team.
- A central office in the heart of the city
- Culture and wellness program
- Enjoy a fun and friendly atmosphere where people love coming to work.

#### Why work with us?

- Award-winning, multidisciplinary team of urban designers, landscape architects, planners, visual designers and BIM and Innovation technicians
- International and local projects
- Cross-cultural workforce celebrating diversity, inclusion and wholistic wellness.
- Collaborative workplace with offices in Brisbane CBD, Gold Coast, Sunshine Coast, Sydney, and Townsville.
