This is a role for a full time Landscape Architect, located in our Sydney office at Waterloo. The role will be responsible for working with a fast-paced team to assist in the delivery from concept through to documentation for a variety of projects, delivering on time and on budget to achieve successful, people-driven outcomes.

We are proud of our reputation as collaborators, delivering high-quality design focussed outcomes for our networks of clients. For prospective candidates, we are looking for individuals that share these values and want to be a part of a passionate team.

You will work with the team on early concept designs, design development and documentation packages. Coupled with a strong technical capability, you will have excellent communication skills, strong level of self-motivation and industry involvement. The areas you will work across will include:

- Preparation of concept designs;
- Preparation of design drawings; and
- Preparation of construction documentation.

You will need:

- Tertiary qualification in landscape architecture
- Min. 2 year's industry experience
- Solid graphic communication skills
- Experience delivering detailed documentation packages.
- High level written and verbal communication skills.
- Local experience
- Australian resident
- Non-essential – experience in Revit and familiarity with BIM systems and workflows

What you will receive:

- **Learning Opportunities** – Individual career development, including mentorship, access to our Senior Leadership team, access to industry associations and memberships, opportunities to work across multidisciplinary teams, exposure to new technologies and innovations in landscape architecture and job challenges that will push you to think critically.
