

Job Title: Senior Landscape Architect

Company Name: Place Design Group

Team: International Design

Location: Gold Coast

Employment Type: Full-Time

- Collaborative & Innovative Environment
- Award Winning and Career Defining Projects
- Growth & Development Opportunities

If you are looking for a once-in-a-lifetime project opportunity where landscape architecture is the design lead ... this is the role for you!

Our team is undertaking a once-in-a-lifetime international project opportunity, with design undertaken in Queensland. This is a 12-month contract role (with the opportunity for extension) for a full time **Senior Landscape Architect** who has strong capability across BIM to join our team.

You will be responsible for the production of project documentation, delivering on time and on budget to achieve successful, people-driven outcomes. You will have a focus on landscape design, design development and documentation. Coupled with this technical capability, you will have great communication skills, strong level of self-motivation and local knowledge.

The areas you will work across will include:

- Project coordination with consultant team
- Preparation of design drawings
- Project administration
- Preparation of construction documentation
- Coordination and consultations with our SEQ BIM team
- Terrain modelling
- Extraction 3D model for rendering in Lumion

Essential Experience / Attributes:

- Tertiary qualification in landscape architecture
- 8 years min. industry experience
- Expertise in AutoCAD, Rhino, Revit
- Competence in BIM
- Competence in MS Office, Adobe Creative Suite and Sketchup
- High level written and verbal communication skills
- The ability to work autonomously and within a team
- Not essential - Competence in Lumion / enscape
- Not essential – horticulture / planting knowledge

What you will receive:

- **Learning Opportunities** – Individual career development, including mentorship, access to our Senior Leadership team, access to industry associations and memberships, opportunities to work across multidisciplinary teams, exposure to new technologies and innovations in landscape architecture and job challenges that will push you to think critically.
- **Inclusive and Supportive Culture** – diverse and valued workplace, work-life balance under our 'flexible flexibility' mantra, competitive salary, 'Place Space' Wellness & Culture program, Diversity & Inclusion Committee, active Respect@Work training and great team activities and celebrations.

About Us:

As an Australian owned, leading planning and design firm, Place Design Group was founded in 2001.
