We are recruiting for an experienced Landscape Architect to join our Sydney team in a full-time capacity.

creating great places

A leader in Planning and Design with a reputation for creative and commercial solutions, Place Design Group is Australian owned and managed. Our teams throughout Australia, China and South East Asia are dedicated to creating great places through service excellence, inspired leadership, and innovation.

Within the Sydney market, Place Design Group has developed a reputation for delivering creative solutions that are commercially focused, diverse in character and aesthetics, and unique to site. Our clients are many of the major developers working in New South Wales as well as a broad range of local government and state government departments.

So, if you are looking for your next opportunity, are a highly skilled designer with a strong design vision, actively involved in the industry and motivated to be a part of a creative team culture, then we would encourage you to apply.

Position Overview:

This is a role for a Landscape Architect, assisting the Senior Landscape Architects on an array of both large and small landscape projects. In this role you will be working on the preparation of design drawings (masterplanning through to documentation) and contract administration for greenfield subdivision, centres and public precincts. As part of a small team you will be actively involved in thought development and client relations. The successful candidate will fulfil the role in a professional and efficient manner, reflecting and enhancing the company's reputation. The role will include duties such as:

- Preparation of design drawings
- Project contract administration assistance
- Preparation of construction documentation
- Perform site visits

Essential Experience and Personal Traits:

- Tertiary qualification in landscape architecture
- Min. 2-3 years industry experience
- Well-developed AutoCAD skills and capability
- Graphic communication skills
- Proactive self-starter with strong interest in their future in the industry
- Demonstrated skills in use of Adobe Creative Suite and Sketchup
- High level written and verbal communication skills
- The ability to work autonomously and within a team
- Good organisational and time management skills
- Australian resident

Desirable Experience / Attributes:

- Current drivers licence

Note: annual remuneration will be commensurate with the candidate's experience and potential contribution to the company.
