

## ADVERT –TOWN PLANNER

### THE OPPORTUNITY

As an international leading planning and design firm with teams across Australia, China and South East Asia, Place Design Group is continuing to be instrumental in some of the most exciting and dynamic projects across these regions, including Brisbane's [Waterfront](#), Campbell Town [Billabong](#) Parklands, Gold Coast's [The Spit](#) Masterplan, and Sunshine Coast's [Domic](#). We are now recruiting for a full-time role for a Town Planner that will offer the right candidate an exciting opportunity to be part of an innovative and growing Brisbane team.

### ABOUT THE ROLE

Place Design Group has developed a reputation for delivering commercially focused, real world planning across a spectrum of statutory and strategic planning projects. This role will support projects working with both private clients, including many of the major developers working in Queensland, as well as a broad range of local government and state government departments.

On a day to day basis this role will take responsibility for client management support, project delivery and analysis of legislation. You will be working on preparation and lodgement of applications for a variety of developments, in addition to:

- Participation in the preparation of development applications
- Undertaking planning assessment, investigation and analysis of QLD legislation, guidelines and related documentation for a range of different project types
- Participation in the preparation of comprehensive planning reports and proposals;
- Perform site visits to assist project feasibility

### ABOUT YOU

Along with your technical skill set, you will have a growing network and experience working in a similar role with a planning consultancy firm.

***We are looking for someone who is excited by the planning industry, thrives in a team environment, and has great communication skills.***

You will be loyal, committed and client focused. You will be able to balance priorities well and meet deadlines working within a supportive team environment.

### Essential Experience:

- Tertiary qualification in town planning
- 2 years Industry experience involved in preparing development applications/project
