

ADVERT – LANDSCAPE ARCHITECT - Townsville

THE OPPORTUNITY

We require a Landscape Architect to join our team and work with our Design Principal to manage the development of landscape projects in our Townsville office.

If you are passionate about design, have good industry knowledge and experience, and are looking for an opportunity to be part of an innovative and growing team, then this is the role for you!

WHO WE ARE

As an international leading planning and design firm with teams across Australia, China and South East Asia, Place Design Group is continuing to be instrumental in some of the most exciting and dynamic projects across these regions, including Townsville's [Jezzine Barracks](#), Sunshine Coast's [Domic](#), Sydney's [futurestreet](#), Gold Coast's [The Spit](#) Masterplan, and Brisbane's [Waterfront](#).

Within the Townsville market, Place Design Group has developed a reputation for delivering commercially focused landscape design solutions, diverse in character and aesthetics, and unique to site.

ABOUT THE ROLE

The successful landscape architect will have formal qualifications in landscape architecture and a minimum of 4 years' experience in all facets of project design and development including project administration.

The position requires a person who is self-motivated and resourceful, enthusiastic, independent and inspired to add depth to the Townsville design team.

We are looking for a candidate who is passionate about creating great design outcomes, who thrives in a team environment, is loyal, committed and client focused. You will be able to balance priorities well and meet deadlines working within a supportive team environment.

You will work across:

- Preparation of design drawings,
- Preparation of construction documentation
