

## LANDSCAPE ARCHITECT

### THE OPPORTUNITY

As an international leading planning and design firm with teams across Australia, China and South East Asia, Place Design Group is continuing to be instrumental in some of the most exciting and dynamic projects across these regions, including Sunshine Coast's Domic, Sydney's futurestreet, Gold Coast's The Spit Masterplan, and Brisbane's Waterfront. We are now recruiting for a full-time role for a Landscape Architect that will offer the right candidate an exciting opportunity to be part of an innovative and growing Sydney team.

### ABOUT THE ROLE

Within the Sydney market, Place Design Group has developed a reputation for delivering commercially focused solutions, diverse in character and aesthetics, and unique to site. Along with your solid technical skill set, you will have experience in a similar role, and have a proactive and creative drive.

*We are looking for someone who is excited by great design, and thrives in a team environment.*

You will be loyal, committed and client focused. You will be able to balance priorities well and meet deadlines working within a supportive team environment.

#### You will:

- Preparation of design drawings,
- Project contract administration
- Preparation of construction documentation
- Performing site visits

#### Essential Experience:

- Tertiary qualification in landscape architecture
- Min. 2 year's industry experience
- Expertise in Adobe Creative Suite and Sketchup
- Solid graphic communication skills
- Project coordination experience
- Proactive self-starter with interest in the industry
- Attention to detail and delivery of quality documents and communication
- High level written and verbal communication skills
- The ability to work autonomously and within a team
- Good organisational and time management skills
- Local regional knowledge and experience
