

ADVERT –TOWN PLANNER

We are looking for someone who is excited by the planning industry, thrives in a team environment, and has great communication skills.

Watch a snapshot of who we are - <https://youtu.be/hwYGFzZK-c0>

This is a role for a full time Town Planner, who will be responsible for supporting projects across both the private and public sectors, delivering on time and on budget to achieve successful, people-driven outcomes. The role will have a diverse approach, working across local and regional projects. You will have a focus on client management support, project delivery and analysis of legislation, in addition to preparation and lodgement of applications for a variety of developments. Coupled with this strong technical capability, you will have excellent communication skills, strong level of self-motivation and industry involvement. The areas you will work across will include:

- Participation in the preparation of development applications
- Undertaking planning assessment, investigation and analysis of QLD legislation, guidelines and related documentation for a range of different project types
- Participation in the preparation of comprehensive planning reports and proposals;
- Perform site visits to assist project feasibility

Essential Experience / Attributes:

- Tertiary qualification in town planning
- 2 years Industry experience involved in preparing development applications, preferably in the SEQ region
- Experience with Planning Act and IDAS timeframes and processes, as well as other relevant legislation
- Proactive self-starter with interest in the industry
- High level written and verbal communication skills
- The ability to work autonomously and within a team
- Good organisational and time management skills
- A highly motivated worker
- Australian resident
