The successful candidate will manage the role in a professional and efficient manner, reflecting and enhancing the company's reputation. The role will include duties such as:

- Preparation of plan graphics and illustrations
- Preparation of presentations
- Preparation of submissions and proposals
- Development and preparation of reports and proposals
- Development marketing collateral – print and online

Essential Experience:

- Min. 4 years' experience in graphic design
- Advanced skillset in Adobe Creative Suite, especially:
 - Adobe InDesign
 - Adobe Illustrator
 - Adobe Photoshop
- The ability to work under pressure
- Good organisational and time management skills
- High level communication skills
- Able to manage and prioritise deadlines
- A highly motivated worker
- Have a sound knowledge of Microsoft Office and Outlook

Desirable Experience:

- Experience in the urban design, architectural industry
- Skills in photography, drone imagery and photo retouching
- A proven track record, portfolio and experience in the graphic presentation, report preparation and packaging of Subdivision Designs, Landscape Concept Plans, Urban Design Projects and Sketch up
