This is a role for a full time Senior Urban Designer, who will be responsible for client engagement and working across a variety of SEQ city shaping projects. On a day to day basis this role will take responsibility for preparation of a wide variety of design content (master planning concepts through to DA documentation) for mixed use projects, greenfield subdivisions and industrial precincts. A demonstrated ability to creatively communicate ideas and design principles with a strong attention to detail will be advantageous. You will be working broadly on:

- Preparation of hand drawn and CAD concepts plans including subdivision design;
- Preparation of graphic and technical plans, illustrations, and design reports;
- Provide advice to clients, both internal and external;
- Preparation of tenders, proposals and submissions;
- Developing client relationships; and
- Project management, including prioritisation, budget review and resource coordination

### Essential Experience / Attributes:

- Applicable Tertiary qualification
- Min. 7 year's industry experience across master planning, subdivision or urban design
- Experience in high profile master planning projects
- Demonstrated graphic communication skills
- Expertise in Adobe Creative Suite and Sketchup
- Significant project management experience
- High level written and verbal communication skills
- Local regional knowledge and experience
- Australian resident
- COVID vaccination certificate

### WHO WE ARE
