If you are passionate about our cities, a strong and effective communicator, and thrive in a team environment ... this is the role for you!

creating great places

Watch a snapshot of who we are - <https://youtu.be/hwYGFzZK-c0>

This is a role for town planner to join an established multidisciplinary team of specialist planners, economists, and designers, working nationally across a range of projects.

We are proud of our reputation as collaborators, delivering leading and high-quality professional services for our networks of clients. For prospective candidates, we are looking for individuals that share these values and want to be a part of a passionate and high energy team.

You will have a focus on client management, project delivery and analysis of legislations, in addition to preparation and lodgement of applications. Coupled with this technical capability, you will have great communication skills, strong level of self-motivation and local knowledge.

Some of the type of work you would be involved in would include:

- Undertaking planning assessment, investigation and analysis of QLD legislation, guidelines, and related documentation for a range of project types
- Development of strong client Relationships
- Project management and team coordination
- Preparation of development applications
- Preparation of tenders, proposals and submissions
- Urban renewal and master planning projects
- Strategic investigations and pathway advice to public and private sector clients
- Focused assessment and analysis projects on key planning matters

Essential Experience / Attributes:

- Experience with the *Planning Act 2016* and DA Rules and processes, as well as other relevant legislation
- Tertiary qualification in town planning
- Min. 3 year's industry experience
- Project management and coordination skills
- Local Brisbane (or SEQ) planning and development knowledge
- High level written and verbal communication skills

- The ability to work autonomously and within a team
- Australian resident

WHO WE ARE

As an international leading planning and design firm Place Design Group celebrated its 20th anniversary in 2021. As an integrated design and planning firm we have a real depth in our projects and highly value creating opportunities for our staff to collaborate across disciplines and share skills and knowledge.

We are a contemporary workplace, offering flexibility and investment in formal training and on the job mentoring to develop our talent as well rounded, highly skilled, exceptional professionals.

Have a look at our website to get a feel for our experience and the team - or ask around to see what our peers have to say about us!

HOW TO APPLY

If you feel you are the right person for this opportunity, we would love to hear from you. Please send a cover letter, resume, and portfolio OR link to your online portfolio to careers@placedesigngroup.com.
