

ADVERT – SENIOR LANDSCAPE ARCHITECT

- Once in a lifetime project opportunity
- Dynamic team environment
- International reach

If you are looking for a once-in-a-lifetime project opportunity where landscape architecture is the design lead ... this is the role for you!

Watch a snapshot of who we are - <https://youtu.be/hwYGFzZK-c0>

Our team is undertaking a once-in-a-lifetime international project opportunity, with design undertaken in Queensland. This is a 12 month contract role (with the opportunity for extension) for a full time Senior Landscape Architect who has strong capability across BIM to join our team. We have two roles available – one in Brisbane and one on the Gold Coast.

You will be responsible for the production of project documentation, delivering on time and on budget to achieve successful, people-driven outcomes. You will have a focus on landscape design, design development and documentation. Coupled with this technical capability, you will have great communication skills, strong level of self-motivation and local knowledge. The areas you will work across will include:

- Coordination with BIM team
- Project coordination with consultant team
- Terrain modelling
- Extraction 3D model for rendering in lumion
- Preparation of design drawings,
- Project administration
- Preparation of construction documentation

Essential Experience / Attributes:

- Tertiary qualification in landscape architecture
- 8 years min. industry experience
- Expertise in AutoCAD
- Competence in BIM
- Competence in MS Office, Adobe Creative Suite and Sketchup
- High level written and verbal communication skills
- The ability to work autonomously and within a team
- Not essential - Competence in Lumion / enscape
- Not essential – horticulture / planting knowledge
